WHAT IS COVERED

Claims against you

If during the **period of insurance**, and as a result of **your business activity** within the **geographical limits** for clients, any party brings a claim against **you** for:

- a. negligence or breach of a duty of care,
- b. negligent misstatement or negligent misrepresentation,
- c. infringement of intellectual property rights including copyright, patent, trademark or moral rights or any act of passing-off,
- d. defamation,
- e. dishonesty of **your** individual partners, directors, employees or self-employed freelancers directly contracted to **you** and under **your** supervision,

we will indemnify **you** against the sums **you** have to pay as compensation.

We will pay **defence costs** but **we** will not pay costs for any part of a claim not covered by this section.

Avoiding a potential claim against you

If **your** client has reasonable grounds for being dissatisfied with the work **you** have done, refuses to pay for any or all of it, including amounts **you** legally owe to sub-contractors at the date of the refusal, and threatens to bring a claim against **you** for more than the amount owed, it may be possible to settle the dispute with the client by **your** agreeing not to press for the disputed amount. If so, **we** will pay **you** the amount owed to **you** at that time if **we** believe that this will avoid a legitimate claim for a greater amount and **we** have given **our** prior written approval to settling in this way and for this amount.

Alternatively, if it is not possible to reach agreement with the client on this basis but **we** still believe that by not pressing for the disputed amount **you** will avoid a legitimate claim or counterclaim for a greater amount, **we** will pay the amount owed to **you** at that time. If a claim is still brought, **we** will deal with it but **our** total payment, including what **we** have already paid **you** or on **your** behalf, will not exceed the applicable limit of indemnity shown in the schedule. **You** must return the amount **we** have paid if **you** eventually recover the debt less **your** reasonable expenses.

Once **we** agree to make this payment **you** will assign to **us** such rights as **you** have in relation to the amounts owed to **you**.

We will not make any payment for any part of a claim not covered by this section.
